

How to access online book in Mrs. Jones' math class:

1. Go to <https://my.mheducation.com/>
2. Enter username: (first letter of first name, last name, grad year last two digits, WEM)
For example, if I were a sophomore, mine would be jjones23WEM
3. Enter your password: it might be the name of the first math class you used it for:
Algebra1 (or it could be Geometry1)
Capitalize the first letter and use the number 1
4. You should see a green Geometry book or a book for your class (a few people have not been assigned an online book yet).
5. Please bookmark this page and you may want to save the login information on your Chromebook.
