RESPECT: WEM High School is a place of business.

- Appropriate behavior, actions, and dress are expected.
- Respect of personal property and school property is expected.
- Respect towards fellow students, teachers, staff and substitutes is expected.

Be on time, ready to begin class with your class materials and assignments due that day.

After absences, make-up slips are to be presented to the teacher. It is the students' responsibility to get the notes and assignments. **For each excused absence, all work must be made up within 2 days.** If a student is absent 3 or more consecutive days a plan will be devised to complete missing assignments.

Electronics (phones, tablets, MP3 players, etc.) are not allowed in this classroom. Electronics will be confiscated by the teacher and turned in to the office. Students will follow the handbook policies for return of electronics.

Beverages and food are not allowed with the exception of clear bottled water. Any food or beverage brought in will be discarded immediately without warning.

E-Learning Days

For a class cancellation where we are replacing instruction with an E-Learning day, go to the Math Analysis page on Schoology for specific instructions. Some things may also be posted on my yolasite: mrsjjones.yolasite.com. Videos, worksheets, book page assignments, or updates will be listed on Schoology and may be posted on the yolasite. I will be available during the school day by Schoology message or school email: jjones@wem.k12.mn.us. Students without internet access will be required to make up any work missed within two school days of the cancelled day.

Tests and Quizzes

Quizzes will be given regularly throughout the unit. Tests will be given at the end of each chapter. No additional resources will be allowed for use on tests and quizzes. Tests and quizzes may be retaken, and the second score (higher or lower) will be recorded (unless student requests that test not be corrected by teacher). **Tests and quizzes may be retaken within three days of the return date.** Retakes may be taken before or after school or during a study hall. Any student caught cheating will be given one opportunity to retake the test/quiz the next school day at 7:45 am for 50% of the points earned.

Homework

Homework is due at the beginning of the hour on the due date. Homework will be scored on a 4 point scale. Points will be assigned as follows:

4 = Complete and \geq 50% correct;

3 = Complete and $<$ 50% correct;

2 = At least 50% completed and
 \geq 50% correct;

1 = At least 50% completed and
 $<$ 50% correct;

0 = Less than 50% complete.

Assignments need to be completed neatly with first and last name, date and class. Completeness includes showing work when necessary. Homework assignments cannot be completed in green pen. Each student will correct his or her own homework assignments in green pen. Each student will receive one green pen free, after that, replacements may be purchased for \$.50. If the assignment is found to not be scored correctly, the student will receive a zero for the assignment. Any student working on homework when other in-class work is assigned will receive a zero for that assignment. Students may work on homework after they have completed in-class work. Late homework will receive a 25% deduction for 1 day late, a 50% deduction for 2 days late and no credit for 3 or more days late. Extended time for homework may be allowed in special circumstances. Using online resources to complete homework can be helpful if used as a tool to understanding. Copying work from the internet or others is a form of plagiarism and will result in no credit (and may forfeit the allowance for retaking quizzes). If online resources are used to write homework instead of completing homework on your own, testing will not go well.

Preparation, Participation and Attendance

A student will earn 4 points daily for having needed supplies and participating in class. The checked supplies will be: **1. Covered Book 2. Calculator 3. Pen or Pencil 4. Notebook.** Up to 4 points per day will be deducted for disruptive behavior or missing supplies. There will be a deduction of 4 points for each absence and 2 points for each unexcused tardy. More than 10 minutes late for class without an excused pass will be counted as an unexcused absence. Unexcused absences will result in no credit for daily work, homework or tests. Students absent due to suspension will be eligible to receive up to 50% on work missed. When a student is disruptive for a substitute, all credit will be lost for that day, including tests (work may be made up by redoing work and serving 2 hours of detention before school). Notes are expected to be taken for each section and will be collected for points at the end of each chapter.

Hall Passes

Students will be given two hall passes at the beginning of each quarter. If a student needs to leave the room, that person should present a pass slip to the teacher. Unused hall passes may be turned in at the end of the quarter for 4 extra homework points each. If more passes are requested, a teacher/student conference may be held during lunch or before or after school.

Consequences

1. Warning
2. Detention and/or notification of parents
3. Conference with student, teacher and/or parents and principal
4. Removal from class

*Any of these steps may be surpassed depending on the severity of the situation.
